

OMCT SOS-Torture Network

The Georgian Young Lawyers Association is an active member of the World Organisation Against Torture (OMCT) SOS-Torture Network.

Established in 1985, **the World Organisation Against Torture (OMCT)** is today the main coalition of international non-governmental organisations (NGO) fighting against torture, summary executions, enforced disappearances and all other cruel, inhuman or degrading treatment.

Created in 1986, **the OMCT SOS-Torture Network** is the most important global network of organizations fighting against torture. Today, it counts more than 300 organisations spread around the world.
