

Presentation of ichange.gov.ge, electronic platform of electronic petitions, in regions

Request Changes – presentation of ichange.gov.ge, electronic platform of electronic petitions was held in Kutaisi and Zugdidi. Representatives of GYLA and CiDA introduced the citizens the functions and rules of using the mentioned platform. Representatives of local non-governmental organizations, media and municipalities also attended the presentation. The campaign aims at increased usage of the petition platform by the citizens to raise the issues that concern them.

The meetings within the frames of the campaign will also be held Batumi and Ozurgeti.

The project is funded by USAID Good Governance Initiative (GGI). The partner of the campaign is Regional Civil Society network (R-CSN)
