

# საქართველოს ახალგაზრდა იურისტთა ასოციაცია GEORGIAN YOUNG LAWYERS' ASSOCIATION

## **GYLA will launch a new media project**

GYLA will launch a new media project to promote development of free media environment in Georgia. Within the project, GYLA will systematically study acts of interference in journalistic reporting and media activities and evaluate state's response to these interferences. In special cases GYLA will provide legal aid to journalists and media organizations.

We ask all journalists and media outlets to report all acts of interference in the work of media representatives to us by e-mail. You may contact us at your nearest GYLA branch:
